

Windshield Protection Film

ClearPlex Invisible Windshield Protection Film helps protect glass from rock chips, pitting and bull's-eyes, keeping your windshield in pristine condition.

ClearPlex can also be applied to sunroofs, side windows and rear glass for added protection against hail, smash & grab theft and everyday road hazards.

Also can be applied to:

- Recreational vehicles
- Rental car and utility fleets
- Long haul trucks
- Construction equipment

Protect Your Windshield From Road Hazards
